

## LARK AGREEMENT (Legal, Appropriate, Responsible, Kind)

### One-to-One Learning Devices Good Spirit School Division No. 204

Melville Comprehensive School Students who are eligible for the One-to-One Learning Device program are issued individual devices for the purpose of enhancing learning with technology. Each student in the one-to-one program is expected to follow the AP 140 Responsible use procedure for information, communication, and collaboration technologies of the Good Spirit School Division in its entirety.

This LARK agreement is a simplified summary and overview of the above-mentioned AP 140 that may be viewed in its entirety in Edsby under the MCS School Information section.

The software, network, e-mail, Internet, and all components of information technology supplied on the device by Good Spirit School Division must be used in the following manner:

- **LEGAL:** *all software, music and/or games must be downloaded or copied in a legal manner.*
- **APPROPRIATE:** *all words and images used and viewed must be school appropriate, during both school and home use. If receiving inappropriate materials, the student must report it.*
- **RESPONSIBLE:** *due care and attention will be taken with the hardware, system files, software, and peripherals (power cords, cases) so as to prevent damage.*
- **KIND:** *the use of the devices must be used as a tool that conveys consideration for the thoughts and feelings of others inside and outside of school as well.*
